

Primer

SIPLAST BITUMEN PRIMER

Multi-purpose bitumen based sealer for priming of porous and non-porous substrates prior to the application of torch-on membranes or cold applied bitumen coatings with excellent penetrative and bond strength characteristics.

BENEFITS

- Easy application by brush, broom or squeegee
- Quick to absorb and consolidate the substrate
- Quick drying, no delay times

APPLICATION

Icopal Siplast Primer is suitable for use on concrete, steel and wooden surfaces.

ISO 9001

Siplast is a certified ISO 9001 compliant company.
Siplast has been awarded the Bureau Veritas Certification.

IMPORTANT NOTE

This data sheet is issued as a guide to the use of the product(s) concerned. Whilst Icopal endeavours to ensure that any advice, recommendation, specification or information is accurate and correct, the company cannot – because Icopal has no direct or continuous control over the where and how Icopal products are applied – accept any liability either directly or indirectly arising from the use of Icopal products, whether or not in accordance with any advice, specification, recommendation or information given by the company.

TECHNICAL ADVICE

Consult Icopal South Africa for additional information on your waterproofing project.
