

# BMI Standards and Workmanship CPD

Our CPD seminar on Standards and Workmanship has been created to support surveyors and specifiers of pitched and flat roofing. Identifying common challenges of roof design and refurbishment. This CPD seminar can be hosted virtually or at your practice.

## Key takeaways you can expect from our Standards and Workmanship CPD seminar are:

- **Understand what makes a good roof - for both pitched and flat projects**
- **British Standards that apply to pitched and flat roofing**
- **Common concerns in flat and pitched roofs including:**
  - Control of condensation
  - Roof Drainage
  - Wind-loading and fixing

If you would be interested in this CPD session for you and/or your colleagues please contact us by emailing [cpd@bmigroup.com](mailto:cpd@bmigroup.com)
